→ Quality & Commitment. Our Certificates

ISO 9001: 2015

Is a globally recognized standard for quality management. It helps organizations of all sizes and sectors to improve their performance, meet customer expectations and demonstrate their commitment to quality. Its requirements define how to establish, implement, maintain, and continually improve a quality management system (QMS).

ISO 14001: 2015

Helps an organization achieve the intended outcomes of its environmental management system, which provide value for the environment, the organization itself and interested parties. Consistent with the organization's environmental policy

ISO 45001: 2018

Specifies requirements for an occupational health and safety (OH&S) management system, and gives guidance for its use, to enable organizations to provide safe and healthy workplaces by preventing work-related injury and ill health, as well as by proactively improving its OH&S performance.

ISO 28000: 2007

Specifies the requirements for a security management system, including those aspects critical to security assurance of the supply chain. Security management is linked to many other aspects of business management. Aspects include all activities controlled or influenced by organizations that impact on supply chain security. These other aspects should be considered directly, where and when they have an impact on security management, including transporting these goods along the supply chain.

GOTS

The Global Organic Textile Standard (GOTS) is the worldwide leading textile processing standard for organic fibres, including ecological and social criteria, backed up by independent third-party certification of the entire textile supply chain.

OCS 100

OCS certification applies to all supply chain sites of organically grown content: first processor, manufacturing, packaging and labeling, storage, handling, and shipping through the seller in the last business-to-business transaction. OCS 100 product may have a minimum of 95% and a maximum of 100% certified content.

OCS BLENDED

OCS certification applies to all supply chain sites of organically grown content: first processor, manufacturing, packaging and labeling, storage, handling, and shipping through the seller in the last business-to-business transaction. OCS Blended product may have a minimum of 5% and a maximum of 94% certified content.

GRS

Standard that sets requirements for third-party certification of Recycled Content, chain of custody, social and environmental practices, and chemical restrictions.

RCS

"This Textile Exchange certification verifies that a product contains a mixture of recycled and non-recycled materials, ensuring traceability of recycled materials throughout the supply chain. Guarantees that a percentage of the product is made from contrasted recycled materials."

OEKO-TEX STANDARD 100

Most Roly products have this certificate that guarantees their commitment to all environmental requirements during the manufacturing process and that the fabrics, their dyes and any component of the garment, do not contain harmful or dangerous substances.

OEKO-TEX ORGANIC

"Certification that guarantees that the textile products are made of organic materials and have been evaluated to meet stringent environmental and safety standards. Ensures sustainability throughout the production chain and the absence of harmful substances.
(license number 2020K0383)"

OEKO-TEX RECYCLED

"Verify that the textile products contain a minimum requirement of recycled materials and comply with rigorous sustainability and safety criteria. Ensures traceability and responsible use of resources recycled in production."

PEFC

Roly is a member of PEFC, a program that promotes the sustainable management of forests to achieve a social, economic and environmental balance, which is why the paper used in this catalogue, and of most of the material printed by the company, is obtained from wood from sustainable forests.

REACH

REACH is the new European Union legislation applying to chemical substances, and its aim is to improve the protection of human health and environment from the risks arising from the use of chemicals.

SMETA 4 PILLARS

Audit that covers the Labor and Healthy & Safety standards of the 4-pillar audit, as well as Environmental Assessment and Business Ethics.

COCACOLA BY INTERTEK

"Coca-Cola's social audit, conducted by Intertek assesses the company's compliance with labour standards, human rights and working conditions in its supply chain. Ensures ethical practices and the well-being of employees in the company's global operations."

AEO

As an "Authorized Economic Operator", Roly is certified as a reliable importing and exporting company for customs authorities throughout the world, which facilitates the transit of the goods we commercialize.

HdC

Carbon footprint verification by an auditing entity validates the greenhouse gas emissions generated by a company or product. It ensures accuracy and transparency in measurement, helping to manage and reduce environmental impact.

SEDEX

Sedex is a global technology company that specialises in data, insights and professional services to empower supply chain sustainability. Environmental management system. Provide safe and healthy workplaces by preventing work-related injury and ill health, by proactively improving.

SOCIAL INCLUSION

We are proud to promote social inclusion by actively integrating people from disadvantaged backgrounds, complying with the Disability Act and fostering a diverse and accessible work environment for all.

VEGAN

We comply with PETA Approved Vegan Certificate. That means that our products are free of animal cruelty. We guarantee that neither our products nor our manufacturing procedures involve animal abuse, animal tissues or animal tests.

The colours in this catalogue are as approximate and faithful as possible to the actual colours of our products, with the limitations of the colour printing in paper. In addition, due to the constant improvements on the products and renovations of stock, the colours may suffer changes or modifications not shown in this document. Claims based on the colours in this catalogue will not be accepted. ROLY reserves the right to change without previous notice the colours of the products with respect to the indicated in the present catalogue.
